

Group Disability from Chubb Benefits

Disabilities can disrupt both an employee's income and their workplace productivity. **Chubb Benefit's Group Disability solutions help minimize both by providing benefits that can help employees return to work safely and more quickly.**

Group Disability

Our plans help keep your clients more productive by providing benefits that can help employees recover and return to work faster:

Disability options that include Short-term and Long-term Disability coverage with employer-paid, employee-paid, and Core Buy-Up options.

Rehabilitation services benefit that provides vocational rehab and return-to-work programs to keep teams productive.

Child care benefits that support employees who need help balancing family care responsibilities during recovery.

Social Security advocacy that helps employees navigate Social Security disability claims, reducing stress and helping them access necessary benefits.

Value-added services that enhance benefits through Employee Assistance Program, Financial Wellness, and Travel Assistance.

MORE THAN

7 in 10 workers rely on their employee benefits plan to meet their disability insurance needs.¹

Group Disability options to fit your clients' workforce

Our Short-term and Long-term Disability coverage provide income protection that is customizable to your client's workforce, with accelerated benefit options and value-added services.
